

Pride and Prejudice

Rough Draft - Rehearsal and Performance Schedule

(Several dates [6-8] will be removed after reviewing cast member conflicts. There will not be any additional dates added. Final rehearsal schedule will be available at the first read through).

*Rehearsals are mandatory. Please adjust your schedule accordingly. This includes leaving practices early/arriving late. This play will require a strong commitment from all involved in the production; a missing team member will hinder the rehearsal process and hurt the production. *Most cast members will have a small number of named rehearsals for their characters. Scenes will only be blocked once. Missing rehearsals will result in the loss of a role in this production. *SM/ASM should attend all rehearsals. *There are several scenes that we will add people to after the first blocking rehearsal when we starting meeting as a full group.

We are in need of parent volunteers to help with the set (and costume construction) on Saturdays (see dates below – final schedule will be given out at the cast read through)
