***Thank you for your help!***

***About Our Organization...***

Band is an elective. This means that the student chose to be a part of this program. With this concept there will be expected costs involved.

Instruments must be purchased and supplies needed.

Due to increased budget cuts the band will need to pay for more items that last year. Band Fees are needed to pay these fees.

Please understand these expectations and make music be a part of your child's life.
