Music Theory Assignments

These will be posted in Schoolology on the calendar and reminders will go out!

REMEMBER

I will NOT accept incomplete theory assignments. Students MUST know this information and to skip over it is not acceptable. If you see and INC in HAC with an assignment it most likely is that they did not finish it or did not read the instructions clearly. They should go back, look at their previous work, and check that they are completed correctly. Once the assignment is done, a check mark will be on the page and will result in 100 for that assignment grade. If we get to the end of the grading period, and the assignment had not been completed, a "0" will be placed as their grade for that assignment.

Ear Training will be taken in class and will be a Summative Grade but if a student misses it, they can go to the book's website and take the test online, and then submit the book for grading.

The History Assignments in the back are also will be a Summative Grade.

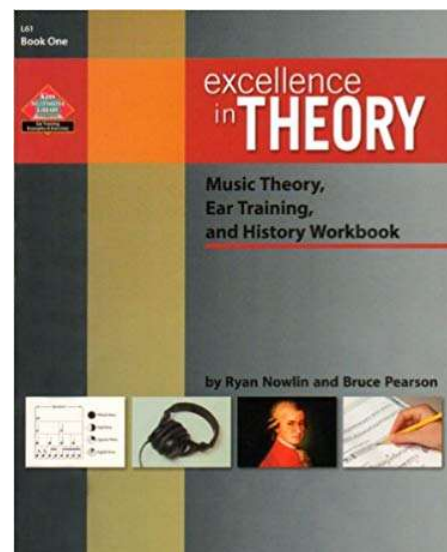

Thank you for your help!

About Our Organization...

Band is an elective. This means that the student chose to be a part of this program. With this concept there will be expected costs involved. Instruments must be purchased and supplies needed.

Due to increased budget cuts the band will need to pay for more items that last year. Band Fees are needed to pay these fees.

Please understand these expectations and make music be a part of your child's life.

Jazz Ensemble

1st Concert of the year!!!

Creekside High School – 7 PM – 9/19/18
