Band Portraits!

September 24th – 27th

Photos will be taken during your child's band class

These pictures have your child in several poses with their instrument. You are NOT in any obligation to purchase them but it is an awesome memory keepsake that we are providing for you. The following week the proofs will be held in the bandroom and you can select which pictures/packets that you would like to order. The students will also be included in the band composite placed in the bandroom.

See bottom of the page for the uniform requirements

About Our Organization...

Band is an elective. This means that the student chose to be a part of this program. With this concept there will be expected costs involved.

Instruments must be purchased and supplies needed.

Due to increased budget cuts the band will need to pay for more items that last year. Band Fees are needed to pay these fees.

Please understand these expectations and make music be a part of your child's life.
