

Dear Parents,

October 5, 2017

The “Singing Jags” are working hard on a “Tropical Paradise” themed program for River of Life’s Fall Festival on Saturday October 21st at 12:00 P.M.! ☺ River of Life is located on Racetrack Rd. near CVS. The “pumpkin patch” is located in front. The children will need to meet in front of the building near the sidewalk at 11:40 A.M. wearing their blue chorus T- shirt, school board approved shorts (no basketball shorts please), sneakers (tennis shoes), and socks. Parking is minimal, so I suggest you drop your child off at River of Life, park at our school, and take the free shuttle from JCE to the performance.

There will be other schools performing throughout the day, food, activities for the children to partake in, and pumpkins for purchase! ☺ I am looking forward to the “Singing Jags” very first performance of the year!

The Singing Jags have also been invited to perform for the November 14<sup>th</sup> St. Johns County School Board meeting at 9:00 A.M. at the First Coast Technical College located in St. Augustine (2980 Collins Ave.). There is a chance the performance will be relocated to the school board building located at 40 Orange St., but I will let you know when the location is confirmed. Transportation will be by school bus. The children will need to meet in the music room at 7:30 the morning of the performance in uniform: Blue uniform T-Shirt, Tan (Khaki) slacks, Black shoes, Black socks. We will arrive back at school at approximately 10:00 A.M. The children are allotted 5-7 minutes to perform, and I am in need of 7 chaperones please for this performance to ride the bus both ways. If you are able to chaperone, please mark your intentions on the permission slip or email me ASAP.

Please complete the attached permission slips/medical release forms, and please have your child return them to me by next Thursday, October 12th.

Thank You!

Musically,

---

Mrs. K. Isabelle
