

Daily Grammar Practice 21 LAFS.8.L.1.1, LAFS.8.L.1.2

Day 1

Because there was no wars little political unrest, with only one party, national unity, and new international prowess the years between 1815 and 1840 are often referred to as the era of good feelings.

Day 2

The American System designed by Senator Henry Clay from Kentucky was intended to ease growing sectionalism by doing three things establishing national protective tariffs reestablishing a national bank and building new transportation systems the south and west.
