

Daily Grammar Practice 24 LAFS.8.L.1.1, LAFS.8.L.1.2

Day 1

While the north saw rapid industrialization and urbanization in the 1800s. The South remained largely Agrarian and untouched by industrial progress.

Day 2

Citizens interested in travelling West had three main options railroad, river or wagon all of which provided viable routes to the new territories citizens in the south however had fewer options.
