

Daily Grammar Practice 28 LAFS.8.L.1.1, LAFS.8.L.1.2

Day 1

With death estimates of 700,000 to 800,000 and another half million wounded the Civil War is easily the deadliest military conflict in US History. More deadly than World War I and World War II combined!

Day 2

In addition, to billions of dollars in damages most of which occurred in the south the civil war created deep emotional wounds that would make reconstruction efforts difficult.
