

Application for Theatre 4 2017-2018

March 2, 2017

At the present time I anticipate having 18 spots available in the Theatre 4 class for the 2017/2018 school year. M/J Theatre 4 is rigorous and expectations are high. The choice to make theatre a priority is required. Please note that this is the only M/J Theatre 4 class offered in the St. Johns County School District and competition for placement is high.

Please review the course description and consider your application carefully:

Theatre 4 is a rigorous and comprehensive approach to the study of Drama. Students study acting technique as it applies to the stage and musical theatre, theatre arts and production, dramaturgy, dramatic literature. Students will develop group and individual events to performance level (i.e. - monologues, musical or scene work, set or costume design) according to Florida Junior Thespian Society guidelines. All students will concentrate their efforts on skill building stressing creativity, problem solving, collaboration, ensemble workmanship, artistic discipline and professionalism. Students will be required to attend and/or participate in rehearsals and performances outside the school day and sometimes travel to support, extend, and assess learning in the classroom. They will present public performances that will serve as a culmination of specific instructional goals.

Please fill out the attached application to express your interest and level of commitment. The selection process will be by application only. Every day in class and rehearsal up to this point has been the students' audition.

Feel free to e-mail me if you have any questions.

Sincerely,
JoAnn Kirby Nance
Director, SJCCA Theatre Arts
