

# Ms. Paget's Post

Week of 10/1/18

## Notes and Reminders

**Volunteer News:** If you are planning on visiting your child during lunch or accompanying your child on a field trip, you must have a cleared volunteer application on file with the county. You can visit the school's website and complete the application under the "Volunteering" section of the homepage. Just as a reminder, applications are good for three years.

### **Important Dates:**

- 10/3 Health Screenings
- 10/12 End of the 1<sup>st</sup> Quarter
- 10/15 No School: Teacher Planning Day
- 10/24 Report Cards Issued
- 10/25 Boosterthon Run

## This Week's News

**Reading News:** This week we are working on recounting stories, folktales, fables, and fairytales. Through this we are learning how to summarize main events of the story and understanding what the central message is, or moral, of a story.

**Math News:** In math, we are working on addition and subtraction within 1000. We are also going to work on rounding to the nearest 10 and 100. What I have noticed is that some students struggle with rounding and some struggle with subtracting across zeros.

**Science and Social Studies News:** In science we are learning how plants and animals adapt to changes of weather due to seasons. We will cover migration, hibernation, producers, consumers, photosynthesis and food chains. In social studies we have our test on the southeast region Wednesday and will start the northeast region this week too.

### **Other News:**

Health Screenings are going to be done on Wednesday this week.

I am going to start conferences next week. You do not need to meet with me, but I would like to meet with all of you to get to know you and your child better. You will receive an email with a link to a sign up, to sign up for the time that fits you best.
