## Notes and Reminders

**Volunteer News:** If you are planning on visiting your child during lunch or accompanying your child on a field trip, you must have a cleared volunteer application on file with the county. You can visit the school's website and complete the application under the "Volunteering" section of the homepage. Just as a reminder, applications are good for three years.

### **Important Dates:**

- **10/12 End of the 1<sup>st</sup> Quarter**
- **10/15 No School: Teacher Planning Day**
- **10/24 Report Cards Issued**
- **10/25 Boosterthon Run**

## This Week's News

**Reading News:** This week we are working on recounting stories, folktales, fables, and fairytales. Through this we are learning how to summarize main events of the story and understanding what the central message is, or moral, of a story. The vocabulary words for the test on Friday are: oppose, snide, heap, diverse, origin, redundant, gesture, acknowledge, clutch, and persevere.

**Math News:** In math, we are working on addition and subtraction within 1000. We are also going to work on rounding to the nearest 10 and 100. What I have noticed is that some students struggle with rounding and some struggle with subtracting across zeros. The test over this will be this Friday.

**Science and Social Studies News:** In science we are learning how plants and animals adapt to changes of weather due to seasons. We will cover migration, hibernation, producers, consumers, photosynthesis and food chains. In social studies we have started learning about the northeast region of the United States.
