This Week's News

Reading News: For the next couple weeks we are reviewing all ELA skills before the FSA and last iReady assessment. This week our focus will be on the theme of stories, nonfiction text features and context clues. In grammar we are working on writing addresses and writing addresses within a sentence. Math News: In math, we are working on telling time to the minute and elapsed time. If you leave your house at 7:45 and get to school 25 minutes later, what time did you get to school. Or, if a movie is 2 hours long and ends at 8:30, what time did the movie start. We are also working on units of measurement of volume and mass.

Science and Social Studies News: In science we are starting our unit on energy. In social studies we will start learning about U.S. Government this quarter.
