This Week's News

Reading News: For the next couple weeks we are reviewing all ELA skills before the FSA and last iReady assessment. This week our focus will be on Story Elements (character, setting plot, theme), Character Traits, Sequencing, and Context Clues. Through plot we will also touch on problem and solution.

Math News: In math, we are working on telling time to the minute and elapsed time. If you leave your house at 7:45 and get to school 25 minutes later, what time did you get to school. Or, if a movie is 2 hours long and ends at 8:30, what time did the movie start.

Science and Social Studies News: In science we are starting our unit on energy. In social studies we will start our unit on economics. This will review needs, wants, consumer, producer. We will also go into scarcity and how units of money differ in the countries within North America. The Economics test will be on Wednesday, March 13th.
