This Week's News

Reading News: This week we are finishing up reviewing for the FSA and we will be testing the FSA on Thursday and Friday morning. We have also started cursive handwriting.

Math News: In math, we are working on telling time to the minute and elapsed time. We are also working on units of measurement of volume and mass. We will move onto area and perimeter including rectilinear area (finding area of a multi-rectangular shape).

Science and Social Studies News: In science we are continuing our unit on energy. In social studies we will start learning about U.S. Government this quarter.

Other News:

FSA reading will be Thursday and Friday this week. Make sure your child gets a good night's sleep each night and has breakfast in the morning so that they are not tired or hungry during testing. We will start testing almost as soon as the bell rings so make sure your child is at school on time.

We will be taking the reading i-Ready final diagnostic on Tuesday and Wednesday the 9th and 10th.
