## 5th Grade Class

November 13, 2018

### Math Test Friday

Multiplying Fractions and Mixed Numbers

Preparation for the 4-H Tropicana Public Speaking Contest will begin after Thanksgiving break. This is a great way for students to build self-confidence, gain valuable speaking skills and learn about writing and presenting a speech.

Visit the website below to learn more about the speech program and begin thinking of a topic that you would like to speak about.
