## Welcome Back To School!

I am excited to be back at St. Augustine High School. This year I am fulltime! I will be teaching two Criminal Justice Operations one class; two Criminal Justice Operations two classes, and I will be teaching two Digital Information Technology classes.

Criminal Justice two has started creating a

Youth Crime Watch here at SAHS. I am excited that students will be teaching other students crime prevention techniques.

Finally, we are starting a Florida Public Service Association Chapter. The FPSA is the co-curricular club for the Criminal Justice Program.

## Schoology Is Here!

The St. Johns County School District has began using Schoology. This program is all encompassing for teachers, students, and parents. The program allows teachers to create assignments, quizzes,

tests, start a conversation, take attendance, and record grades. Students have all their classes loaded into the program and can access them from any computer or smart-phone. Parents have the same

access to their children's account. Parents can see assignments, grades, and attendance.

If you have any questions or problems, please let me know.
