

Weekly Newsletter: January 22-25, 2019

The third quarter is here! Please make sure you are checking HAC regularly, and keeping up with homework and additional learning opportunities such as reflex and IXL. Thank you for all you do- please don't hesitate to reach out if you have any questions or concerns.

This Week We Are Learning

ELA: Point of View and Firsthand v Secondhand accounts

This week we will continue working on point of view and will move into nonfiction texts using firsthand v secondhand accounts. Students completed their first cold read of the third quarter last week and will take the second cold read for this quarter by 2/1. Spelling groups started last week and our next spelling test is 1/23.

Math: Mixed Numbers and Improper Fractions

Unit test #9 is this Wednesday. Study guides came home on Friday, 1/18. IXL for additional practice: Q14, J6, J7, J8. Thursday we will start our next unit on multiplying fractions.

Science: STEM Fair Projects

STEM fair projects are due February 1. Students are expected to build their tri-fold boards at school and can start bringing in their supplies any day this week. We will spend our science time next week assembling our boards.

Social Studies: The Seminole Wars DBQ starts this week

Upcoming Important Dates

January 21: MLK Jr. Day- No school

January 23: Math Unit Test

February 1: STEM PROJECT DUE

February 15: Teacher inservice: No school for students

February 18: President's Day: No school

Weekly Homework

- Math study guide
- 3 nights of reading log
- Science variables practice handout
- STEM project board materials

Are you interested in additional learning resources for at home learning and practice? IXL is a great resource that is available to every student in our class. For each topic being taught in math, there are a series of lettered and numbered tasks to complete. These test style questions provide students with extra practice and are an excellent way to study and prepare for upcoming tests and quizzes.
