

Weekly Newsletter: March 11-14, 2019

We made it to spring break! This is a busy week with book fair, a math unit test and our Sign of the Beaver movie/novel comparison on Thursday 😊 I hope everyone has a restful and yet fun spring break. When we come back we will be in the 4th quarter!

This Week We Are Learning

ELA: Summarizing Fiction Texts

We will wrap up the third quarter with a few final activities on summarizing fictional texts. Students have also been busy practicing their writing to text skills, and writing homework will continue through the end of the month.

Math: Angles Unit Test

A study guide for our work with angles was sent home on Friday, March 8. Students should be practicing drawing, labeling and measuring angles. Additionally, students need to be able to draw and correctly label lines, line segments, rays and points. In addition to the study guide, students can complete IXL Z.1-Z.4.

Science: Weathering and Erosion

Our next science topic will be weathering and erosion. This week students will begin the unit with a mystery science investigation. A list of requested supplies will be sent through class dojo 😊

Social Studies: Florida in Modern Times

Upcoming Important Dates

March 13: Book Fair (we visit at 10:30)
