Week of August 21st – 25th

A Peek at Our Week

Reading:

We are continuing to build our reading and independent work STAMINA by learning rituals and routines for handling books and materials. We will learn all about using pictures and words to find details about characters and setting.

Math:

We are learning place value of tens and ones. Students are learning strategies for adding and subtracting. Some of those strategies are counting on/back, using a ten frame, drawing a picture, and using a number line.

Writing:

We are learning to write narratives about things we like to do. We are also learning about adding illustrations to our stories.

Science/Social Studies:

What an exciting time to begin learning about Earth in Space and Time! We will be learning all about the properties of the Sun, the stars in the sky, gravity and magnifiers.

Reminders

- Check your child's behavior grade and initial it daily. Let me know any questions and concerns.
- Reading logs will begin on Monday.
- Field Trip shirt orders are due on Friday!
- Please let the front office know of any dismissal changes by 2:00. There is a link on the school's homepage to submit changes.

Upcoming Events

- August 25th ~ Movie Night
- August 28th ~ Picture Day ☺
- August 31st ~ Curriculum Chat 6:00
- September 4th ~ Labor Day (No School)
- September 12th ~ Interims

News & Notes

What a fabulous 7 days we have had learning about each other and the rituals and routines that make our classroom succeed!

Also, I would love to thank the parents and grandparents who have donated to our Donors Choose project. Please feel free to share the link with anyone who might be willing to help out with education.

Just a reminder that we have P.E. and recess DAILY. I can't stress enough the importance of wearing tennis shoes! I love fashionable shoes more than anything, but SAFETY is my top priority!

Speaking of recess and P.E...our class is in need of some playground balls, jump ropes, sidewalk chalk, etc. to help keep our time structured as well as fun. If you can help out, please let me know!
