Hi Parents & Students!

I am so excited to offer this special camp for the dramatic arts that I can hardly contain myself! Students will learn theater terms, vocal skills, blocking, non-verbal skills, stagecraft, technical lighting and sound, and many other things involving stage production. This is a "hands-on" active clinic and camp to develop that special "star." Students will meet in the auditorium daily and receive a semester's worth of training in a single week! This camp is offered to rising 6th, 7th, 8th & 9th graders ONLY. The first week's class is for rising 6th and 7th graders with no experience.

The 2nd week's class is for EXPERIENCED ACTORS only (rising 8th & 9th graders that have HAD 7th grade drama class or have been in an after school production at SPMS.) The advanced camp workshop will be utilizing method acting techniques used by professionals! It will be taught as a professional workshop.
