

Music Club Update

Dear Families,

Please remember that we do not have rehearsal on Wednesday, Oct. 31st. On Wednesday, November 7, we begin our WEEKLY combined fourth and fifth grade Music Club rehearsals. **THERE ARE ONLY FOUR COMBINED REHEARSALS AND ALL OF THEM HAVE BEEN EXTENDED UNTIL 3:30. EVERY member has a special part and we need everyone in rehearsal so we can put all these parts together to form our program.** Songs and special parts are posted on my website so that members can practice/listen to the songs at home. <http://teachers.stjohns.k12.fl.us/suppa-l/>

On Thursday, December 6, 2018, Music Club will be going on a field trip to Vicar's Landing. We will perform several songs on our own and one song with the Ponte Vedra High School Jazz Band. This trip is FREE. Attached is a permission slip. Please complete the information and sign and return the slip to Mrs. Suppa no later than November, 14, 2018. Please make sure you have the uniform requirements well in advance for this performance. The uniform is:

- *Music Club t-shirt
- *tennis shoes
- *white ankle length socks
- *blue jeans (long/capri/bermuda length)

We are not sure exactly what time we will return to school so we aren't sure if the school cafeteria will be open when we return. Therefore, I need everyone to bring a sack lunch to school on that day. When we return to school the students whose classes have not eaten, will return to class. The students whose classes have already eaten will eat lunch with me. If you need the school to provide a sack lunch for your child, please attach a note to your child's permission slip. School sack lunches have to be ordered a minimum of two weeks in advance.

We need parents with large vehicles to help transport the instruments to Vicar's Landing for this performance. We are planning to load the instruments and take them to Vicar's Landing right after Music Club rehearsal on Wednesday, December, 5, 2018. We also need parents to help transport instruments back to the school right after the field trip. Please email me if you are available to help in this way.

Please check the back of this letter for our rehearsal and performance schedule. We have the two performances: Vicar's Landing (Dec. 6th), and an evening Holiday Mini-concert (Dec. 10th) at the school for our parents, family, and friends. I'm looking forward to these holiday performances!

Thank You,

Linda Suppa
