

# Safety Patrol:

## **Safety Patrol:**

The safety patrols serve before and after school to help keep students safe. Becoming a patrol is both a privilege and a responsibility. There is an application process that is completed at the end of fourth grade, and selection is based on student grades, responsibility, and citizenship. Patrols help at parent pick up/drop off, bus loops, and throughout the school monitoring younger student behavior and helping staff to keep student movement smooth and efficient. Safety patrols earn an end-of-the-year reward for their service to the school. Mrs. Slopey and Ms. Wellborn are the current Safety Patrol sponsors.
