The Switzerland Point Band Program is excited to be offering a Jazz Camp again this year!

A great way to keep your child motivated and playing their instrument through the summer is to enroll them in summer band camps! This camp is designed for new and returning members of the **2017-18 SPMS Jazz Ensembles**. **There is also space for jazz students from other schools as well as volunteer opportunities for former SPMS Jazz Ensemble members.**

The camp will be taught by **Laurie Zentz, Don Zentz and Michael Shine**. Students will work on jazz style, jazz improvisation, and instrumental techniques. We will perform a short concert on Friday afternoon at 1:00 pm! This will be a great experience for our young musicians!
