

Algebra 1 Honors

Ms. Brailsford

You should expect:

- Homework assigned online via Algebra Nation
- Daily Quizzes based on homework
- Test at end of each unit
- One project per grading period
- Less credit for late work

Grading Policy:

Summative Assessments 65%
Formative Assessments 30%
Homework 5%

This is a high school credit class. The grade will be calculated in your high school GPA.

Attendance and Participation are crucial!

2017-2018

EOC Exam

- 30% of final grade
- Computer based test
- ½ is non-calculator
- Graduation requirement
- Exam can be retaken
- Class can be retaken if grade is C or below

INTERACTIVE NOTEBOOK

Each student is expected to keep an interactive notebook. It will be graded once per nine weeks. All notes, classwork and homework will be included. Make sure to keep notes up to date when you are absent.

Tools for success

Be in class
Do homework
Ask questions
Get help
Do extra practice
Get makeup work
Pay attention

Supplies needed daily:

Pencils and Highlighters
Scientific Calculator (TI-30XA recommended)
Graph and notebook paper
Spiral notebook (at least 100 sheets with plastic cover recommended)
Colored pencils or markers

INB supplies

(turn in to teacher)
Glue sticks
Scotch tape

Test corrections will earn half of missed points added to test grade.

After corrections are completed, see the teacher if a retake is needed.

SHOW YOUR WORK!

You will lose points if you don't show your work. Scientific calculators are allowed unless otherwise stated. Apps (e.g., Desmos, Photomath, GeoGebra) are only allowed if stated in the assignment directions.

Need help?

- Check Schoology or HAC for notes and/or handouts
- Algebra Nation videos and "Test Yourself"
- After school 2-3PM T/R
- Email: Dawn.BrailsfordMoretta@stjohns.k12.fl.us

Due dates, daily agendas, notes, and assignments are posted on:
