This Thursday evening is Open House from 5:30-7. I hope you can take a few minutes to drop in and see what your child has been doing the first few weeks of school!

This Thursday we will have individual pictures taken. We are scheduled to go at 9:10 a.m. If you want to purchase pictures send in the form with a check by Thursday or go online to order.

The math concepts being taught in Topic 3 can be confusing. We are only teaching them as an option to use if it helps them solve the problems. We have modified the test so don't worry too much if your child is struggling with it. Thanks!

Students of the Week:

Ansley Gipson
and
Liam Reddy

You will see a form coming home tomorrow explaining how the Fund Run works. Your child will most likely be very excited to get pledges after the pep rally Tuesday afternoon. This is our main fund raiser for the year so it's important to try and participate! Thanks for your help! It's a lot of fun and a healthy/positive program for the kids!
