

# Ms. Cubbedge's Class News

Week of:  
September 30-October 4, 2019

Email:  
Nancy.cubbedge@stjohns.k12.fl.us

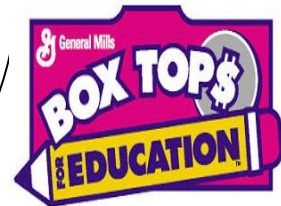

On Tuesday, October 8th we will have our in-house field trip with the gem mining. We will begin a unit on rocks at the end of this week. Your child can bring in a rock of his/her choice by Monday, October 7th. If you haven't already sent in the money for our colonial presentation in November, please do so! Thank you!

Thursday, October 10th, we will give all students the OLSAT (gifted screener). If your child passes this, you will receive a letter asking permission to test them further.

Box Tops are due October 17th! Send them in anytime before this date!

Students of the Week:

Claire Quinney  
and  
Ayden Rustad

Thank you for all you did to help raise money for our Fun Run! It was a huge success!
