The Dalton Gang Round Up
9/3 - 9/7

Upcoming Events:
9/3 – Labor Day, NO SCHOOL
9/4 – 9/6 – IReady Diagnostic (Math)
9/7 – Scholastic Book Orders Due

Parent Conferences
Please be on the look out for an email from me with a link to a Sign Up Genius page where you will be able to sign up for a parent conference. Conferences will be held from Sept. 10 – Sept. 28th. During these meetings, I will be reviewing individual student data from the IReady Reading and Math diagnostics and student data notebooks.

*THANK YOU to all parents who drop their students off at school in the morning! Everyone is arriving before 8:20 and we have been able to hit the ground running at 8:30!!

Vocabulary
Every two weeks we will be studying a new vocabulary list. The lists will focus on words with either the same prefix or suffix. The goal of these lists is to teach the students that they can use their knowledge of prefixes and suffixes to help them understand unfamiliar words. At the beginning of each unit I will send home the words and their definitions. I will also post the words here. Although we will use class time to study the vocabulary, feel free to talk to your student about these words and encourage them to use them in conversation. The words for the weeks of 9/3 and 9/10 are:

postdate  postgraduate  postscript
postproduction  posthumous  postindustrial
postmortem  postmortem  postpone

Food Allergy
I wanted to make everyone aware that there is a student in the class who is allergic to nuts. If you choose to send in treats for a birthday or other occasion, please make sure that they do not contain any nuts. If you have any doubts or concerns about sending something in, please contact me.

Reading  Writing  Math  Science  Social Studies

- Using text/illustrations to understand character, plot, etc.
- Personal Narratives
- Foundations of Multiplication/Division
- Area
- Geography
