Class News: Read All About It!

Please support out wonderful PTAO, they do so much for our school!

Be sure to check the back side of the Reading Center sheet and bottom front corner of the Math Center sheet (coming soon) for a teacher report. It will inform you of the work that your child completed, as well as their behavior that week during center time. Thank you!

Included in the F.I.S.H. folder is the September class calendar. Please keep this calendar and refer to it daily for test dates and other important September events. Any changes that may need to be made will be in the newsletter. Calendars can also be found on my site.

REMINDER: If you have not yet turned in the last page of the class handbook as well as the student information sheet please do so this week. Also, if your child has not yet brought in headphones or addition & subtraction flashcards please send them in this week. The headphones and flashcards are used weekly in class. Thank you for your support!

Due to security we are unable to use students' names in emails. If you email me about your child and use their name I will not be able to respond to that email. I will either call you or respond with a new email. I will have to refer to your child either using their school number, their first initial or as he/she. Thank you for understanding!

A permission slip for an in school Gem Mining Experience has been sent home. Please return the bottom half of the slip along with payment by September 9th.

WHAT'S COMING UP...
