## Class News: Read All About It!

**Reminder:** Our reading and math tests this year contain a lot of rigor. These tests will prepare our students for Third Grade. Just so you are aware the scale for Ready Reading and Pearson Math tests are different than a "normal" grading scale. 70 & above=M, 69-40=P, Below 40=I. Just a reminder to ask your child comprehension questions about the book they're reading at home as well as reviewing math homework. We are working very hard in class on being awesome reading detectives and building stamina. With these tests it is super important that your child go back into the passage to find text evidence and follow directions carefully. Thank you for your support!

Second Grade Open House is Thursday night, September 19th from 5:30-7:00. The kids will be taking you on a scavenger hunt around the room. I also have a packet of academic information to hand out. If you're unable to make it the packet of information will be sent home. I look forward to seeing you!

Please support our **wonderful** PTAO, it's free! Become a member by emailing PTAO at [rbhuntvolunteers@gmail.com](mailto:rbhuntvolunteers@gmail.com) with your name, child's name and my name. Please join, they do so much for our school!

Fall Festival information will be coming soon. Our class has signed up for the sack race. Mrs. Ryan and I would appreciate any candy and/or prize donations to go along with our booth. If you are able to help out please send in any items labeled "Fall Festival." Thank you so much for your help!

**Picture Day is Thursday!** Send in the picture envelope if you wish to purchase your child's picture.
