Class News: Read All About It!

Thank you so much for sending in bags of candy for our Fall Festival Sack Race! Please keep the candy and small prizes coming. Mrs. Ryan and I appreciate your support! Also, don't forget to contact Mrs. Ryan to sign up to help with the Sack Race. We need volunteers. Thank you!

Our Second Grade team continues to try and help make math easier for our kiddos to "digest". We will no longer be going in order by topic. We also may or may not be doing all lessons within the topic. Various topics could be combined in a unit as well. Thank you for your support with our new math series. We are working hard to make our kiddos feel successful and grasp these tough concepts.

Thank you to those of you who have sent in Box Tops! We will continue to collect until October 17th. The class with the most Box Tops will win a special prize. Please support our school, send in those box tops.

Please continue to work at home with Addition/Subtraction facts. The more practice in this area, the easier upcoming math lessons will be. Any extra practice with two-digit problems would be greatly appreciated. You can help by making up problems and having your child practice. You can also print pre-made worksheets straight from the internet. A great site to print from is <http://themathworksheetsite.com>. If the student brings in 40 completed facts they will earn a reward.

WHAT'S COMING UP...

Reading: -Text Features: Part 1-Captions, Bold Print, Subheadings

(Ready Test: Thursday-Students will complete independently, the selection will be read to the students the first time.)
