## Class News: Read All About It!

Tomorrow we will be having our Colonial Presentation. My kiddos are super excited to experience what life was like for colonial children in the early years of Saint Augustine. Be sure to quiz them Tuesday afternoon, they'll learn a lot of cool facts.

I'm planning on rewarding my students for all of their hard work thus far. We will have a small dessert/fruit feast on Tuesday, November 26th. If you are interested in sending in a dessert (any Thanksgiving treat), fruit, 18 small waters, or thanksgiving plates/napkins please let me know via note or e-mail. They will need to be sent in by the morning of the 26th. Thank you for your help to make our little holiday, reward celebration a success.

Many class and school activities are planned for December. Please keep an eye out for important papers coming home in your child's red folder. The December calendar will also be coming home soon so you can plan in advance.

Please keep reading at home daily. The kids are off to a great start in working to meet their second quarter AR goals. Testing can take place at home and in class.

Please encourage your child to use Math Facts in a Flash at home. It is a great program for fact fluency. The students log in through Renaissance Place, the AR program. They are very familiar with this program.
