

## Diviney's Daily

Thanksgiving Edition  
Issue #15  
November 25, 2019

My students have been working on an "I Am Thankful" project. I have enjoyed reading their work. I am so very thankful for each one of my students. What an amazing group! I am also so thankful to have such a wonderful group of parents. I wish you all a very Happy Thanksgiving. Don't forget to tell your family what you are thankful for.

Due to the short week (No School Wednesday, Thursday and Friday) I have no information regarding what's coming up, etc. The students will not have Reading Log or Math homework this week. Enjoy the break!

**Reminder:** My class will be enjoying some tasty Thanksgiving desserts & fruit on Tuesday. If you have offered to send in an item please do so by tomorrow morning. Thank you for your generosity!

Please return F.I.S.H. folders/weekly reports for this week by tomorrow. I would like to get them all back before Thanksgiving break. Thank you!

Attached is a December calendar so you know what the lessons & activities are in advance. Please check my website weekly for class information as well.

Just a reminder that Scholastic orders are due by Monday, December 2nd.
