Dear Miss Creekside 2026 Contestants,

It has been one of the greatest joys of my senior year to spend these past few weeks with you. I have seen you grow as young ladies but also grow closer together. Never lose that kindness and joy that I have seen within each of you during our time together. You all shine so brightly and no matter what happens each of you display the qualities that it takes to be Miss Creekside. If I was chosen to be Miss Creekside just so I could meet all of you then that is enough for me. Always remember that you have a cheerleader in your corner for life and I am always here for you. I'm so excited to watch all of you make the world a better place and I hope everyday is a fairytale.

Forever after,  
**Elizabeth Talbot**
