Abby Coggins

Abby Coggins is a former Miss Creekside. She graduated in 2019 and went to the University of North Florida to study Health Sciences. After graduating, she accepted a teaching job at Patriot Oaks Academy, where she taught 5th grade and coached the Patriot Oaks cheerleading team for three years until she and her husband welcomed their first baby into the world. They are very excited to be having another girl this June! Abby is honored to be judging the Miss Creekside 2027 pageant because she gained so much confidence from her experience and hopes the Miss Creekside contestants are enjoying their time in the pageant as much as she did!

Callie Johnson

Callie Johnson is a proud graduate of Creekside High School, Class of 2014, where she was named 1st Runner-up in the Miss Creekside Pageant. Since then, she has achieved significant success in pageantry, earning three state titles and most recently placing in the Top 16 out of 72 contestants at the Miss Florida USA pageant. In addition to her passion for pageantry, Callie holds a Bachelor of Arts in Communication from Jacksonville University and a Master of Science in Communication Management from the University of North Florida. She is also a self-taught baker and the proud owner of a cottage industry bakery, where she creates custom cakes and desserts. Through her journey in both pageantry and entrepreneurship, Callie is dedicated to empowering others. She is honored to return to Creekside to help judge the next generation of incredible young women.

Cassidy Kyle

Cassidy Goldman Kyle, Miss Creekside 2017, entered the Miss America system after winning the 9th annual pageant on this very stage. She made history as the youngest Miss Jacksonville at age 17, later placing in the Top 10 at Miss Florida 2021 as Miss Winter Haven, where she swept the talent honors with the Top Vocalist and Overall Talent Awards. As a UNF graduate, Cassidy now serves as a marketing professional for MWR at NAS Jacksonville. Since marrying her husband, a Navy sailor, in 2022, she has embraced the journey of a military spouse, recently celebrating his safe return from a deployment to the Middle East. During that deployment, she launched Lavenwood Bakery, specializing in artisan sourdough, cakes, and shortbread cookies. When she isn't baking or traveling the world, she is likely relaxing with her husband and their favorite four-legged child, Rambo.

Morgan Jackson *Miss Creekside 2026*

Dear Miss Creekside 2027 Contestants,

These past few weeks with you have felt like watching a cast of rising stars step onto the red carpet. Each of you has brought your own light, your own story, and your own sparkle, and it has been such an honor to witness it.

You've supported one another with grace, shared laughter, and created moments worthy of a premiere night. Your shine comes from who you are, not from the stage lights, and nothing about tonight can dim that.

I can't wait to watch each of you step into your own spotlight and brighten the world in your own way. May your days ahead feel like a red-carpet fairytale, full of sparkle and unforgettable moments.

Here's to your big premiere,

AMANDA

I'll be honest—it is going to be a total trip seeing you swap the sweat-soaked gi and the smell of industrial floor cleaner for evening gowns and hairspray! But if there is anyone who can bridge the gap between shrimping across a mat and strutting across a stage, it's definitely you. I am so incredibly proud of you for stepping outside of the gym and showing everyone that tough and graceful are two sides of the same coin. Go out there and dominate the stage the same way you dominate the mats—with heart, technique, and a little bit of that competitive fire.

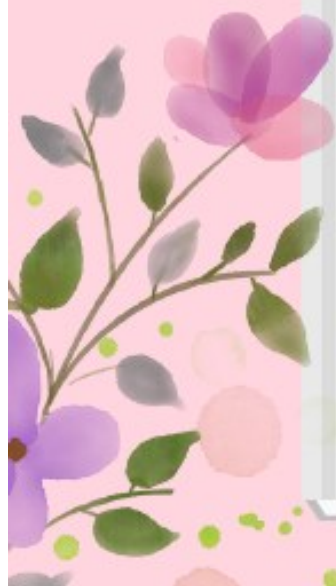

Whatever the results, you're still the undisputed champion
of our gym
Go get 'em, Champ!

Love,
Romina
