It is the only time you can see your student take a test. We strongly encourage you to be there to see the stage performance and then immediately follow us into the Sight Reading Room. As an adjudicator, I can assure you it is impressive to see a group enter with 50-100 parents as well. Speaks volumes about the support of the program. If you have never been in this, now is the time!!!! More details to follow. Plan accordingly – this is a mandatory performance.
