**Most important - we do NOT take transportation in the form of a bus.** This event we meet at the site so all families can experience this most important Assessment. You will see the kids perform in a performing arts center and then follow them into the sight-reading room. In this room you get much more of a "snapshot" of our band room on a daily basis. This is truly a highlight of the school year for our program over the last 18 years, and the most important event of the school year. We look forward to sharing this experience with you all!

### **TRIP**

We will send an updated itinerary in the next week or so. We are still waiting for parade specifics (the union has not sent their final info on that day to participants). See rehearsal schedule below (mandatory)

This trip does indeed involve Parade Marching. For this to happen we will need to have rehearsals on the following dates and times for all attending:

TUES February 17th 415-5:30pm

TUES March 3rd 415-5:30pm

TUES March 10th 415-5:30pm

### **TRIP GEAR**

As we prepare for our upcoming trip, we wanted to share a quick note about cold-weather gear for the students. To help everyone stay warm *and* look uniform as a group, we encourage each student to purchase the official band hat and scarf. While these items are not technically required, having everyone in the same gear will make a big difference in

keeping the band comfortable and creating a cohesive, polished look during performances and group activities.

You can order the items here: <https://www.schoolpay.com/pay/for/Chicago-Cold-Weather-Gear/MfEJ>

Thank you so much for your support in helping our students represent our band well and stay cozy while they do it!
