Look forward to sharing our growth and success with you all.

Band End of Year Slideshows

Seniors

I'd like the seniors to send me an email with their name as they want it to appear on the slideshow, a picture of them when they were little, 2 pictures of them with their instruments over the past 4 years, and 3-5 photos from their high school experience, ideally with the Power of Creekside. I'd like them to send that info on the form to my personal email address, anwитайengar01@gmail.com.

General Slideshows - Any good pictures!

Also, for the general end of year slideshow, if all images could be sent to the email powerofcreeksideband@gmail.com, that would be awesome. Thank you so much!

Board Elections!!!

Elections for the board will be held on April 28th at 6pm in the band room. The meeting is open to all voting members of the Booster association. Hope to see you there!
