New show info next week!

Interested in designing a new t-shirt? We will discuss in class on Monday

Don't check out! See below what is coming up!!

Mrs. Larsen is working on summer playing assignments for when we return in August. We should have those for all new and returning members in the next 2 weeks.

We are currently working on next year numbers, music and drill. If you are NOT returning please make sure a section leader knows this week. We are starting to contact our new and returning members to verify numbers and contact info.

We hope to be able to announce the Fall Halftime Show theme the week of May 11th. We will then have 10 days for anyone interested in creating our T Shirt design. Be on the lookout in the band room, in classes and online for details!

We will continue to play and work on fundamentals the next few weeks in all classes. (We are not done!!!) instruments are needed daily.

The last few days of classes will be spent working on instrument maintenance and basic repair, cleaning and storing of equipment and more.

Fantastic year - we thank you so much for joining us on our musical journey in the 2025-2026 School year!
