

# Meet Mrs. Carson

I am so excited to be YOUR child's teacher! This will be my 26<sup>th</sup> year teaching. I have taught several different grade levels throughout my career, starting with Pre-K and going up to 5<sup>th</sup> grade. My husband, Rich, and I have 3 children and 5 grandchildren. I can't wait to meet you and hear all about your family!

"You're braver than you believe, and stronger than you seem, and smarter than you think."

Christopher Robin

## My Advice for First Graders

- . If you see someone without a smile, give them one of yours 😊
- . Be silly, be honest, be kind.
