

Treats for Birthday/Celebration Policy

*****Please remember to contact your child's teacher before sending in a treat for a celebration (ie. birthdays/holidays).**

Federal law requires every school district to have a local wellness policy. In keeping with the SJCS D healthy initiatives, birthday/celebrations treats will be permitted but with limitations. All birthday/celebrations treats must be approved by the teacher in advance for all students in grades K-8. All birthday/celebrations treats will be served in the commons area or outside, as pre-arranged with the teacher. No birthday/celebrations treats may be brought to the school without prior teacher notification. **NO birthday/celebrations/shared treats will be permitted to be served in the cafeteria.** Food treats should be healthy and nutritious, and enough to share with all students who wish to participate. All teachers and the school health nurse are aware of individual student's needs and should be consulted regarding food allergies, diabetes, and other dietary restrictions/needs.
