for week of:
9/20-9/24

Weekly Preview

Math: Students will be moving into writing, reading, comparing, and rounding decimals. Students will review decimal place value and then move into using all four operations.

Science: Students will be moving into Unit 3: Properties and States of Matter. Students will be learning about solids, liquids, and gases comparing and contrasting their properties.

ELA: We will continue on to Unit 3 in Wordly Wise. *Dying to Meet you* at home learning projects will have been sent home and are due Sep. 27th. Please review the criteria for each choice carefully.

SS: Students will take the Unit 1 Test and starting Unit 2: Native People of North America. Open book quizzes will be completed upon completion of each lesson.
