for Week of:
10/25-10/29

Math: Students will be dividing with decimals this week. We will then begin reviewing both multiplying and dividing decimals as a review for our November 2nd test.

Science: Students will be taking their Science test in class on Monday. We will then continue with Unit 5, "How does matter change?"

ELA: Students will continue with Wordly Wise Unit 6. Please continue to complete two Achieve articles each week due by 8PM on Thursday night. Students will be sharing their Pumpkin stories in class!

Please consider writing an essay for the contest. The topic is the 100th anniversary of The Tomb of the Unknown Soldier. This is an optional assignment and if students turn in a well written essay by November 15th they will receive a pass on any Wordly Wise test of their choice and receive a 100% on the test.

SS: Students will begin Unit 3 "The Age of Exploration" and open book quizzes will be given at the end of each unit.
