

We invite YOU to become an FCA Band Sponsor!

Dear Prospective Sponsor,

The support we receive from our family, friends, and the business community is vital to the success of our band program. While band is an important, valued part of the school curriculum, it is largely parent and donor supported. We are seeking businesses to support the Freedom Crossing Academy Band in the form of a tax-deductible donation toward our annual fundraising goal. Monies raised through fundraising activities and donations help us acquire new instruments for our growing program, build our music library with songs to play, and acquire other essentials needed to provide exceptional experiences for our young musicians.

Once you sign on as a sponsor, we will display your business name/logo or family name in our concert programs during the school year, on our band website, on our Facebook page, and on signage in the band room. Please take a moment to review and select a sponsorship package on the next page that best fits your desired level of support.

Thank you for your consideration to support the Freedom Crossing Academy Band program!

Sincerely,

The Freedom Crossing Academy Band Booster Organization

Business / Individual Display name*:

**Name should be listed EXACTLY as it will appear on program. Programs will be printed in black & white. To provide a digital business card or digital logo, email the image to fcabandboosters@gmail.com*
